

MEMORIES OF CHARLIE KOHLS

Charlie had been in Jack and Bella Brennan's wedding so we invited them over for Sunday dinner. As you know they had gone together for at least 20 years . Bella was 67 and Jack was 73. We were all sitting around the table when one of our boys asked Bella if she was going to have a baby. We tried to shush him, but he wouldn't be shushed. They just laughed.
