Dear Sister Zaccarius,

Your letter of March 8 reached me only yesterday. I am very sorry to hear about your illness. This morning I offered a Holy Mass for your healing. I shall continue to pray for you that the wonderful Healer may hear ^{the} prayer of so many persons who must be praying for you. You will be in my Eucharistic prayer.

I did receive your offering you sent in November. Thank you very much for sharing my missionary apostolate and also your thoughtful reply. It is due to a lot of work on my shoulder. I had heart problem and was treated for sometime in hospital. I am better now and working.

May Our Blessed Mother be with you as caring and healing Mother.
God bless you.

In Jesus our Lord,
+ Benedict J. Osta, S.J.
Archbishop of Patna
