

AUCTION

William Ryan will hold a public auction at his farm $\frac{3}{4}$ mile north of Lydia on Tuesday, March 19th, commencing at 10 o'clock in the fore noon, with Fitz-Simmons as auctioneer. He will sell horses, cows, grain, farm implements, furniture, and all classes and kinds of goods as the family will remove to Shakopee, to make their home, about the first of next month, and they have purchased a furnished residence in that city. We all regret to see the old neighbors depart from us, as Mr. Ryan and his family were numbered among the most accommodating, charitable, kind and generous of our citizens. We wish them a pleasant home at Shakopee.
