I was at a Halloween party last nite. The first was a movie. Then for the lawce. Ha! Ha! I stepped it out with some of the instructore and they said I was very good. ~~Some they were very good.~~ Then they mated ^{up} with some of the girls from 7th Grade thru High Ha! Ha! Ha! You should have seen your brother Jim. I only missed about 5 lawces. from 9 to 11:30. I've a date for one next Tues. nite. so I must shined up my shoes.

Case No. II.

I can blow the Clarinet pretty good. We practice Tues. and Thurs nites. There are 40 in our Jr. band. I think I'm getting along pretty good at school. Fr. Sam comes over every day for religion. from 10:45 to 11:30. We had a fee day to day. By the way. when we were marching to the school house last nite the old witch and the devil brought is some treats for the Sisters. The Sisters really got a bang out of it. They went by the Sisters House.

I have my bicycle in running order again. Last Sat. we put on the storm windows & doors. I sure enjoy the television. We have only 2 men slawing here now.

Larry & Dad are at work, What do you want from Santa?
