

MY AUNT GEN

I have an Aunt who's never known
How much she means to me.
I only hope my poem will help
For her to clearly see!

She's been my Dad's "Big Sister"
A teacher from the start.
He held her up in great esteem.
He loved her from the heart.

Aunt Gen has greeted every day
With faith and joy and love.
She's found the good in everyone
Like an angel from above.

Her humor says she's Irish.
She'll laugh until she cries.
And when her sisters all join in
That's where the cackling lies!!!

Complaints or gripes of any kind
I've never heard her voice.
She simply takes things as they come
Being positive is her choice.

Aunt Gen has been a great support
For those with troubled ways.
Encouragement for Nancy's growth
Gave us some lighter days!

Her devotion to her family
Shows just how much she cares.
No matter what the challenge
She's helped us all with prayer.

So is it any wonder
To me, a gift she's been?
For nowhere have I ever found
A lady like Aunt Gen!!

Happy, happy birthday, Aunt Gen!!!!
