

St Paul Minn -

Dec. 5. 1922

Dear Mother -
Well how is every thing.
we are all fine.

I'm working and feeling
good. We got a couple of
rooms right close by they
call them lighthousekeeping
don't worry I only wish I
came here a long time ago
How is Ethel wish I could

see her, has Jack got
his man yet did he get
trave husking.

How do all the horses
put in the barn there
is a sore horse goes
by here every day it
looks just like the sore
at home

Tell Jim + Nell we got
them latter and will ans
later we also got the wa
order but they made a
mistake I sent four
cards for a mile + the
quarters at 75 per mil

That would be \$5.00 + I
only got \$3.90 you know
that it is 1 mile + three q—
from the bridge to the cross
roads.

well I have no news
seen mole Frank on
the car going to work
three or four times and
over he was up at Birias
Thanksgiving night.

With the best wishes dont
worry Frank.
